첫 번째 주인공은 자취방의 필수템, Made in Korea 양은냄비입니다. 비오는 날 대학가의 골목 안 분식집에서 나오는 얼큰한 해장라면도 이 양은냄비가 아니라면 같은 맛이 아니겠죠? 한국인들에게 양은냄비가 추억이 서려있는 물건이라면, 다른 문화권의 사람들에게는 K-Drama 등에서 접한 신기한 제품입니다. 좋아하는 한국인 배우가 양은냄비에 찌개를 끓여먹는 것을 보면서, 그 분위기에 반한 한류 팬들이 양은냄비를 찾기도 합니다.

★★★★★ I love this ramen noodle pot!

July 30, 2018

Verified Purchase

I love my new ramen pot! It heats up fast, it fit all my extra veggies I add, it was easy to clean with the soft pretty scrubby that came with it. My chopsticks had cute sun flowers on mine. I will order this again. I need to order one for my friend soon. I love eating out of it while watching kdramas.

이 고객은 "한국 드라마를 보면서 양은냄비로 뭘 먹는 게 너무 좋다"며, 친구에게도 하나 선물할 예정이라고 하네요!

2. 삼겹살 불판

우리는 삼겹살 파티를 할 때 자주 쓰지만, 버섯이나 다양한 채소, 스테이크 등을 요리하는데에도 좋다고 하네요! 한국의 삼겹살 팬에 높은 점수를 준 고객들은 음식이 자꾸 달라붙지 않는 것과, 기름구멍이 따로 있어 뒷정리를 하기 좋다는 점을 장점으로 꼽았습니다.

★★★★★ SERIOUSLY PERFECT FOR KOREAN BBQ AT HOME!

April 20, 2016

Color: Purple | Verified Purchase

This is my 4th Korean BBQ grill and it'll be my last! I've read all the reviews before purchasing, and the high ratings are true! I was very excited to finally get it in the mail. I put it on my gas grill and it fits perfectly! I threw some kimchi, onions, and two pieces of ribeye and the sound of sizzling was heavenly! The grill heated up very quickly and evenly, even when I had it on low heat. I love how it leaves enough grease (from the fatty meat) but once there's too much fat rendered, it drips down to the sides and ultimately in the drain hole. Great non messy cleanup too! All I had to do was wipe with a wet napkin if there was any buildup on the grill, and it came off with ease.

Many more kbbq nights to come, I can't wait!

제품명에 '슬로우 쿠커(전기식 찜솥)', '요거트 메이커', '스프 메이커' 등의 다양한 설명을 추가했네요. 웰빙음식과 요리에 더 관심을 기울이는 문화인 만큼, 기름에 굽고 튀기는 것보다, 밥솥에 찌서 요리하는 것이 건강에 더 좋기도 하다는 사실이 큰 장점으로 다가오는 것 같습니다.

★★★★★ **This is an AMAZING MACHINE!**

January 12, 2018

Color: GOLD / WHITE | Material Type: 304(18/10) STAINLESS STEEL with Xwall Coated Inner Pot | **Verified**

Purchase

This is an AMAZING MACHINE !!

I am a working mom who has a year old son. After coming home, I have to prepare dinners for my family but always have very little time to prepare. My son has eyes that say I waited a whole day for mommy and so does my impatient husband with rumbling tummy. However, after purchasing this amazing Cukoo multi pressure cooker, I feel less pressured with the meal preparing time. I literally throw all the ingredients in the heavy duty pot and press couple of buttons and that is it. I then can entertain my son while it is getting ready and my husband doesn't have to wait long because it is pressured cook which cuts down cooking time. Also, the fun part for me was that this appliance expanded our menu and I have learned to do so much with it. It is so easy and the results come out great. An added bonus for my husband who does dishes only has one pot to clean instead of many pans and pots.

This is perfect for slow cooking, pressure cooking, steam cook and any general cooking. It works perfect! I like to share one easy pasta menu I make with this appliance.

Add the garlic, chicken broth, pasta, canned tomato and marinara sauce. (almost everything!)

Close the lid and change the setting to rice mode for 6 minutes. This will result in al dente pasta.

When the multicooker beeps, open the lid and stir a little bit and add some cheese, so it is mixed well with the sauce. Add a little bit of salt according to your taste.

"마늘, 옥수, 파스타, 통조림 토마토 그리고 마리나라 소스(그냥 식재료 있는 거 다)를 던져넣고 6분만 기다리면 파스타가 완성된다", "배고픈 아들과 참을성 없는 남편에게 저녁 준비해주는 시간이 줄었다"는 고객 리뷰.

4. 돌솥

돌솥은 굉장히 무겁긴 하지만 돌솥에 밥을 지으면 뜬이 고르게 들고 타지 않으며, 보온의 역할까지 해 밥이 식지 않는다는 장점이 있습니다. 특히 비빔밥류를 해 먹을 경우 바닥에 달라붙은 고슬고슬한 밥알이 제일 맛있죠!

New (1) from \$58.95 Details

묵직한 암석으로 만든 그릇이 외국인들에게는 생소할 법도 하지만, 돌솥은 미국에서도 인기를 얻고 있습니다. 한국의 문화, 그 중에서도 한국의 음식과 레시피가 관심을 끌면서 이 돌솥도 주목을 받게 된 건데요

류병관(45) 코리아트스토리 대표는 글로벌 온라인 쇼핑몰 아마존에서 돌솥을 판다. 돌솥 한 개 가격은 58.95 달러(약 6 만 6000 원). 지난해 1 만 3000 개의 돌솥을 팔았다. 미국에 밥솥을 3 억 5000 만원 어치 판 것이다. 원가를 제외한 이익은 7000 만원 정도다. 이것 말고도 영국·일본 아마존에 해면·LED 거울·찜질팩·운동용품 등을 팔아 약 5 억 번다... ([계속 읽기](#))

★★★★★ **awesome granite bowls**

January 30, 2018

Color: Gray | **Verified Purchase**

Heavy weight, awesome granite bowls. These bowls are heavy! which is what I wanted. Thankfully they were packaged VERY well. They are meant to get very hot-like a cast iron pan, only stone. Be sure to read the directions to season them before use. I was so excited to use these for bibimap I almost missed this step! They also come with an authentic Korean bibimap recipe.

열린 돌솥으로 비빔밥을 해 먹고 싶다고 남긴 고객의 리뷰
